## PARENTS TEACHERS ASSOCIATION COMMITTEE

The PTA Members Committee provides a common platform for the parent and teacher community to address the larger issues looming over the face of the school. It helps them to work together in close association in a collaborative and participative manner, to look after the students' welfare in the school. The PTA Members look into the nuances related to the functioning of the school and solicit valuable suggestions and feedback related to the improvement of the school as a whole. Various members, amongst parents and teachers, have been inducted in this committee who are playing an active role in improving the ambience as well as the Safety and Security related issues pertaining to the school. A PTA Calendar is also framed and circulated to all the members on a timely basis along with the minutes. It also emphasizes upon securing adequate laws for better care and protection of students in the school. Apart from bridging the gap between the home and the school, it provides a channel for both parents and school to exchange opinions concerning school procedures, policies and environment, thereby ensuring the overall functioning and progress of the school.
